Fall 2009 - Concession Stand

Time flies! Summer break is almost over, school starts WAY too soon & for us, that means it's time to get busy with our Fall Concession Stand plans!

First, we'll need several team leaders. These individuals will be responsible for overseeing the operations of the Concession Stand for their assigned events. Plenty of direction & training will be provided! Keep in mind, these games will probably generate smaller crowds than we experience at a Varsity Football game so a limited menu will be offered & a smaller "crew" required. **If you are interested in serving in this capacity, please contact me ASAP!**

Next, we'll need workers! **We are asking that EVERY band family volunteer to work AT LEAST three events through the fall season.** It is not necessary for families to work together (although it certainly is a fun thing to do together if it's possible). Students are also welcome (& encouraged!) to work with us!

I've created TWO WAYS that you can plan your volunteer opportunities. Option A is to join a team. Review the **TEAM SCHEDULE (Pg. 2)** to see which set of events works best with your schedule. Simply circle your team choice (or choices) & return the sheet to school!

Option B is to select those specific events that you are available to serve. Review the **GAME SCHEDULE (Pg. 3)**, mark the events you are available to work & return the sheet to school!

Many of you have told me. *.. "Just let me know when you need me!"* Well, here it is. **I need you!** If you are generally available for MOST events & are willing to work as needed, *please turn in a game schedule marked with the events you CANNOT work.* I'll plug you in as necessary!

Placements will be made on a first come-first served basis. Once a volunteer schedule has been produced, you will be contacted with the dates you are scheduled to work. We will also create a contact list so you'll be able to arrange for a replacement in the event you are unable to serve at your scheduled time.

Let me thank you in advance for completing these forms & donating your time! We have such an amazing opportunity to be a part of building a premier music program in our community from the ground up --- YOUR hard work will help make it possible!

Thank You
